

BUTTE COUNTY GREAT REGISTER 1866-1900 DATABASE NOW AT PGS LIBRARY

The Paradise Genealogical Society is currently in the process of creating searchable research databases of our Butte County library holdings.

Phase I:

Butte County Great Register (voter registrations) 1866-1900 has been completed and is now available for PGS members to access on our library computers. This 30,000 record database can be searched by voter name or by a range of surnames/given names as well as by residence of voters. Non-members may contact PGS and for a nominal \$5 contribution (for up to three surname/names) PGS researchers will provide printouts (at 25 cents per page).

Information that may be found in the Great Register: Name, age, birthplace, naturalization data, residence, date of registration, height, color of eyes and hair, etc. See sample below:
