

Feather Falls.

(Formerly **Mooretown**, **Moresville** and **Feather River**) is located north and east of Lake Oroville at an elevation of 2982 feet. It takes its name from nearby Feather Falls, the sixth highest waterfall in the United States.

The Mooretown post Office operated from 1888 to 1923. The Feather River post office opened for a time in 1919 and was re-established in 1921. The name was changed to Feather Falls in the same year and moved to its present location in 1938.
